

Get Creative with the Digital Graffiti Wall India

Looking for a unique and innovative way to entertain your guests at your next event? Our Graffiti wall is a fully interactive digital wall for rent or hire that guests can use to create their own amazing artwork.

Graffiti Wall India is a state of the art digital graffiti solution designed and developed for the events and entertainments industry, using bespoke software to replicate the urban graffiti experience without the mess or toxic fumes.

Our technology-packed graffiti cans allow you to paint directly onto the digital graffiti wall, creating your very own works of art, whatever your skill level. You can use one of our fantastic custom stencils to make your mark. Special effects give your work the look and feel of real graffiti and each design can be saved from the digital graffiti wall, uploaded to social media, emailed, or used to create mementos such as T-shirts, mugs or stickers. So let loose your inner Banks and get creating!

Our digital graffiti wall that uses state-of-the-art digital technology to recreate an authentic graffiti experience on a big screen. A modified spray paint can 'sprays' infrared light which is tracked by a computer vision system, with the digital 'paint' appearing wherever the can is sprayed.

Artwork can be saved, emailed, uploaded to social media or used to create personalized mementos for guests such as T-shirts, mugs, stickers or postcards.

When can I use a digital graffiti wall?

A digital graffiti wall is a fantastic way of engaging customers at corporate events and promotions, or entertaining friends and family at parties.

- Keep delegates at a conference on your stand for longer
- Keep guests at a party entertained all evening
- Give users a T-shirt or bag with their graffiti printed on it as a memento of their experience or a reminder of your brand

Be Experiential

Make your event a true experience with a digital graffiti wall. Create your masterpiece with a digital spray can that looks, feels and shakes like the real thing, while drip effect 'paint' mimics the look of real graffiti.

Full customization

We can customize the entire digital graffiti wall interface graphics and background to match your specific event. Examples might be adding a name or logo, specific colors to the paint palette or a wall or fence background for that authentic graffiti feel.

Stencils

Stencils provide a fun and easy way to get people creating on the digital graffiti wall. Let us work with you to produce event-specific stencils such as logos, product images...or anything you can imagine!

Outlines

Outlines for the digital graffiti wall provide an easy and popular alternative to free hand drawing and are very popular with those people less convinced in their artistic ability. We can provide simple shapes or more complex multi-form pieces with sections that can be individually worked on.

Stamps

Stamps are a great way of adding fun clip art to your creations. Like Stencils the stamps can be positioned anywhere on the screen, scaled and rotated to fit perfectly in any image.

Be Social

Each piece of artwork created on the digital graffiti wall can be saved, emailed to guests, and uploaded to Facebook, Twitter, Flickr, and YouTube etc. Make an event part of your social media campaign by uploading pictures to your Facebook page during the event – and getting guests to like your page at the same time.

Facebook

Facebook is an effective way of engaging with customers and friends. Users can share their creations from the Graffiti wall India directly to their profile, or let our friendly ushers load pictures directly onto your page.

Twitter

Tweet your fabulous creations directly from the Graffiti wall India, with the images appearing directly on your twitter feed. With the ability to add hash tags to the images your event could build up a trend in no time.

YouTube

Yes, it's even possible to add a video of your guests creating their artwork! Our fantastic bespoke software captures every movement that is made on the wall and can instantly be uploaded to a YouTube channel.

Web Gallery

We can add your photos to a Facebook album, photo bucket album or Flickr on site or after the event.

Be Creative

Give each of your guests their own personal souvenir of the event with their artwork printed onto a T-shirt, mug, cap, badge poster or stickers. Created and printed by our Graffiti wall India ushers on the spot, remind everyone of the great time they had at your event. We offer dozens of creative features to get the most out of the Graffiti Wall. We also offer bespoke solutions to allow you to customise personalised mementos for your guests.

T-shirt Printing

The digital graffiti wall is a blank canvas for your guests to let their creative juices flow. Our graffiti wall team can print out each piece of artwork and press it directly on to a T-shirt. All of our T-shirts are made from top quality 100% cotton fabric and come in a range of sizes for both male and female customers.

Mugs

Mugs are great! Everyone loves a cuppa' from time to time. Why not design your own using the our digital graffiti wall? Artwork from the wall can be directly printed on to high quality ceramic mugs – perfect for the office!

Print Outs

Designs can be printed instantly from the wall onto premium photo paper using super-fast sub dye printing. These prints can then be taken home by your guests as a fun souvenir of your event.

Stickers

Everyone loves stickers, especially when they've created their own design! Stickers are another great way of creating instant memories and work especially well at parties, weddings and Bar Mitzvahs.
